

Itinerary for Salt Rock Tour

Day 1 Monday

Travel to Salt Rock stopping for tea and comfort when needed and at Van Reenen for a light lunch, building up a good appetite for a delicious dinner at the seaside. We should be checked in by 4.30/5.00pm.

The following are optional tours for those who wish to tour a little. You are also welcome just to enjoy the hotel and surrounds.

Day 2 Tuesday

Visit to the exceptional uShaka Marine World unless you have all been there. If you have then we can rather take a trip along the marine parade and the Victoria Embankment on our way to the Botanical gardens. Light lunch at Wilson's Wharf. Afternoon at your leisure.

Day 3 Wednesday

Day at your leisure. A good walk along the extensive beach, cocktails alongside the pool or on the deck! Read a book on a chaise lounge. Whatever takes your fancy.

Day 4 Thursday

For those who wish to slum it with the celebrities we visit the Oyster Box for tea and scones. About R100.00 for both or R50.00 for tea! This tea and scones at your expense, so you can decide to spoil yourself. But it is worth the tea to see this spectacular hotel and we might bump into a celebrity. The Princess of Monaco or John Cleese who I bumped into in the lobby. Then a trip to Ballito for interest. Afternoon at your leisure.

Day 5 Friday

Last day at your leisure to enjoy Salt Rock. I will be available to take you to the Salt Rock shopping centre if you want to get something.

Day 6 Saturday

After one more hotel breakfast, we board for home. Once again stopping roughly every two hours or more if needed. A light lunch in Harrismith and then last leg home.
